## JULY 2020 NEWSLETTER

Dear Member,

I hope this newsletter finds you all safe and well. The summer is now in full swing and despite this pandemic we are still getting out on the courts. Our committee continues to work hard for all our members to ensure that they can get out, stay healthy, meet friends and play tennis. Following the recent guidelines by the Government and the LTA we are now starting to expand our activities further, still with social distancing measure and hand sanitising.

- We will be marking out the other grass court this week which will mean we will have our full complement of 3 grass and 2 hard courts.
- We have expanded our club sessions to include Sundays 10-12. PLEASE COME ALONG AND SUPPORT THESE CLUB SESSIONS.
- We are looking to arrange some friendlies early next month with other clubs.
- We are looking at running an “American doubles” competition similar to last year at the end of August.
- I am looking at running a coach led coaching sessions on Monday evenings 6-7.30, please let me know if you would like to join this group. There will be a small cost of £4 per person.
- The clubhouse and toilets are open again, but again remember to use hand gel before and after using the facilities.

Hopefully I will see you all on court soon.
